

EX-CEL[®] PRO

A Great Choice for Flatbed Digital Printers

EX-CEL[®] PRO is proven to be the ultimate free foamed PVC sheet for flat bed digital printing applications. Its hard, smooth surface produces vibrant printed images, with unequalled color results. EX-CEL[®] PRO is easy to fabricate using standard wood working tools.

EX-CEL[®] PRO is recommended for indoor or limited outdoor projects.

Features:

- excellent printability
- supplied with one-sided protective film mask
- each sheet individually inspected
- lightweight
- hard, smooth surface
- produced under close dimensional tolerances
- easily fabricated

Applications:

- interior signs
- POP Displays
- trade show graphics
- kiosks
- exhibits
- event signs
- posters
